

Humane Society of Harrisburg Area Charity Drive & eBay Auction

The Humane Society of Harrisburg Area (HSHA) is partnering with Auction Inn, a local eBay marketing and sales firm, to help raise funds for the homeless animals in our shelter. To participate, a donor needs only to drop off unwanted or unused items at the Auction Inn location at the Paxton Square Shopping Center (6011 Allentown Blvd., Harrisburg). The specialists at Auction Inn will then sell the items on eBay and give the money raised from the sales to HSHA.

Summer is the perfect time to take part in this fundraiser, and it is a great opportunity to raise money for HSHA in a low stress, hands off manner. Businesses can also help out by donating discontinued or overstocked items and receive a tax write off for their contributions. You may call Robert at Auction Inn at 717-509-6592 or toll free at 1-888-868-4346 with any questions on what you can donate and also visit their website at www.auctioninn.com.
