

Humane Society of Harrisburg Area Commemorative Centennial Necklace

The Humane Society of Harrisburg Area's (HSHA) 2011 Commemorative Centennial Necklace was designed to celebrate HSHA's 100th year anniversary. Local artist Vicki McLaughlin hand makes the necklaces with premium materials, including **sterling silver accents**, **Swarovski crystals**, and a **braided leather cord**. Each dazzling **Lampwork Bead**, the keystone of the

Centennial Necklace, is distinctive from one piece to the next and is marked by mesmerizing layers of color, representing the many layers of service provided to the community by HSHA. The uniqueness of each handmade bead will remind the wearer of the uniqueness of each homeless animal served by the shelter. *Proceeds from the sale of this necklace will directly benefit HSHA's residents.*

*A perfect gift for
yourself, animal lovers,
and Humane Society
supporters!*
