Thank you for your interest in supporting the Humane Society of Harrisburg Area (HSHA). The mission of HSHA is to build a better community for pets and people through compassion, protection, education, and collaboration. We assist over 10,000 animals each year through our residential care and adoption program, low-cost veterinary clinics, pet food bank, and counseling services.

HSHA offers a variety of sponsorship opportunities that allow for valuable exposure to key audiences in Central Pennsylvania. HSHA reaches more than 35,000 contacts through email marketing and our social media channels. With a brand new website launched at the beginning of 2020, we are seeing humanesocietyhbg.org become an even more valuable resource for marketing. HSHA and our events are featured on key media outlets including television, radio, and news sites. Our three signature events connect you, the sponsor, with over 1,500 attendees each year. And our other annual events, give you the opportunity to be seen by hundreds more.

Our sponsorship packages provides a variety of price points to support any or all of our events with additional benefits that extend beyond event day. If you have any questions, please do not hesitate to reach out. Thank you for your consideration.
